

NOKIA

where style meets **substance**

Nokia E65 integrates a long battery life, 3G, quad-band calling, and multiple messaging options into a slim, stylish design with dedicated One Touch keys.

Features at a glance

- Show your sense of style with the slim and stylish slide design
- Access business functions quickly and easily with One Touch keys for conference calling, contacts, and mute/unmute
- Send messages using an extensive range of options: SMS, MMS with distribution lists, Instant Messaging, and email
- Talk more—long battery life gives you up to 6 hours of GSM talk time

Nokia for Business
